

To My Patients,

Today, I am writing to let you know of my plans for the future. Over the past few years patients have often asked me if I've thought much about retirement. Though I am approaching retirement, I love what I do and will keep at it as long as I enjoy it and can continue to perform at a level that achieves excellent results. I am not leaving anytime soon, but I want to have a plan in place so that when I do retire there will be a seamless transition for your continued care. To that end, we are entering into something that **I believe will be great** for my patients and staff, as well as my family and I.

**DENTIST**

Jenny O. Hawkins, DDS  
Denise O. Mullinix, DDS  
Antonia S. Neal, DDS  
Birukitawit Yirefu, DDS  
Robert C. Morrow, DDS

**PAX DENTAL, LP**

22749 Maple Road  
Lexington Park, MD 20653  
301-863-8822

**PAX DENTAL, CALIFORNIA  
DR. MORROW, DDS**

22888 Three Notch Rd #201,  
California, MD 20619  
301-863-6737

I have decided to join forces with one of the best local dental practices in the tri-county area, Pax Dental. My present team and I will be able to continue to provide **high quality** dental care in our current office space with the advantages of being part of a larger practice to better serve all of your oral health care needs. I have chosen Pax Dental because their personal and practice philosophies are so similar to my own. We will continue to practice much like we have in the past with some insurance relationship changes, fee adjustments, the integration of new technologies, and increased personal involvement for each patient. My team and I are excited to join Dr. Hawkins, Dr. Mullinix, Dr. Neal and Dr. Yirefu to have one shared goal...to help create healthy smiles and happy patients.

Pax Dental is a privately owned practice, the same as our practice, meaning they have complete freedom to provide care to the highest standard, utilizing some of the best materials, technologies and equipment. **This will allow more in-house treatment options, including the specialty of sleep disorder breathing symptoms.**

It is my sincere belief that in this way we can continue a tradition of excellence in patient care for all of our patients, and I encourage your confidence in this venture. Please know that we will strive to ensure that the continuity of care and treatment planning will be seamless and smooth.

**Thank you and we look forward to working with you in our new capacity!**

Sincerely,

Robert C. Morrow, DDS
