

FEDVIP OPEN ENROLLMENT 2023

November 14, 2022 - December 12, 2023

FEDVIP Open Enrollment for 2023 | *FEDERAL GOVERNMENT EMPLOYEES, GOVERNMENT RETIREES and RETIRED MILITARY PERSONEL*

We would like to share the FEDVIP plans we are in network with for 2023:

GEHA-High Option, United Concordia-High Option and Aetna-High Option

Though we are a preferred provider for Delta Dental Premier, the plans that are offered under the FEDVIP plans are considered out of network with us (both standard and high). Please review all of your FEDVIP options to assure you choose the best plan for you and your family. We have reviewed the plans for 2023 and would consider any of the three plans a good choice.

Dental benefits can be overwhelming. Should you have any questions regarding which plan may work best for you and your family, please reach out to us and we will do our best to help you navigate through any concerns/questions you may have. Open enrollment is November 14th -December 12th @ 12:59 p.m.

ATTN NON-GOVERNMENT EMPLOYEES:

We are still participating with:

Guardian, Cigna- Total, Delta Dental- Premier, United Concordia

Happy Holidays to your entire family! We look forward to continuing our great relationship together in 2023! You are our extended family and appreciate the opportunity to continue serving your dental needs for years to come.

Thank you,
